

KATARINA JANECKOVA

Katarina Janeckova è nata nel 1988 a Bratislava, Slovacchia. Diplomata all'accademia di belle Arti di Bratislava, si è ben guadagnata una posizione distinta tra i migliori talenti della sua generazione. Lei è riuscita in questa impresa non solo dovuta per la sua pittura caratteristicamente rilassata e marcata da espressività emozionali ma specialmente grazie all'onestà con la quale lei ritrae le sue esperienze non convenzionali. Questa fusione di particolari esperienze, eventi, sentimenti e pensieri rendono una speciale luce ed energia nel suo lavoro. Katarina Janeckova documenta la sua vita a tal punto che le sue rispettive opere possono essere percepite quasi come voci di diario. Comunque lei non si affida interamente alla realtà esterna, ma uguale, se non maggiore, l'attenzione è rivolta sempre al suo mondo interiore. Katarina Janeckova attualmente vive e lavora in Texas e a New York.
